

learning essentials

with Andrea Hillbrick

Educational Consultant

Andrea has successfully undertaken various leadership roles:

- Assistant Principal
- Early Years Literacy Coordinator
- Numeracy Coordinator
- Curriculum Leader
- PoLT Coordinator

....leading schools to effectively implement the Victorian Essential Learning Standards and pedagogical change.

Andrea was a member of the Early Years Numeracy Team. She developed and implemented strategies, professional development, training programs and support materials for Victorian schools.

Andrea has published four practical mathematics teacher references which focus on exemplary numeracy teaching practice.

Learning Essentials with Andrea Hillbrick offers a range of professional learning packages for your school.
